Subject: Request for Notes – Missed Lecture Due to Illness

Dear Professor [Last Name],

I hope you are doing well.

I was unable to attend the **[Course Name/Code]** lecture held on **[Date]** because I was unwell. I would like to go through the topics discussed in the class and make sure that I do not fall behind with the coursework.

Could you please provide me with the lecture notes or slides from the session? I would also be grateful if you could inform me about any important announcements, assignment updates, or changes in deadlines that were discussed during the class.

I will review the material as soon as possible and complete any work that I may have missed. Please let me know if you need any documentation regarding my absence.

Thank you for your consideration and support. I look forward to hearing from you.

Sincerely,
